Ref Your letter No L 6541/CM 24-55-149/1-9-1955

The Council before whom the above letter came up for consideration at their meeting wished to bring it to the kind notice of Government that the above proposal was sent at the direction of the Government contained in your letter No L 7490-CM 49-54-8 dated 21-9-54. But even after ascertaining the special and justifiable circumstances under which such a grant was recommended the Government have turned down the proposal as not financially acceptable. Kind reference of Government is invited to the last sentence of Art 89 M S R wherein grant of advance increments could be allowed under the special orders of Government. The Chief Minister in his Budget Speech of 1954, declared that merit and integrity might be recognised for suitable encouragement being given. The present case richly deserves such encouragement.

In these circumstances, the Council strongly feel that in the interests of the popularity and the usefulness of the Institution, the Government should be pleased to reconsider their decision and kindly sanction their proposal.

S. La Shrinarayana, the Physician of the Municipal
Indigenous Hospital, Mysore C.P.C.

Ref: Your letter No L 4548/C 24-55-191/11-2-56

The above letter came up for consideration of the Council at their meeting held on 2-3-1956. They were very much grieved to see that the recommendation of the Council have not been viewed sympathetically by the Government especially when the case is one of a highly deserving nature. The institution is very popular on account of the application to duty and citizenship of the Physician. It is the appreciation of the merit and integrity of the person that the Council have been repeatedly pressing the case for sympathetic consideration of Government. A visit to the Institution will convince the view of the Council. It is even doing better service than ~~xxx Government~~ other Institutions existing in the city. Such being the case the Council feel that the merits of the case have not been fully examined by Government. They have therefore resolved to request the Government to be pleased to reconsider the order already passed.

I enclose a copy of the resolution and request that orders of Government may be kindly obtained sanctioning

the proposal to give two advance increments as
